POWER TOOL.

BUSINESS TOOL.

SUCCESS TOOL.

Everyone knows that having the right tool makes any job easier. That's why it makes good sense to own a United States Cellular phone. In today's competitive business and professional world, it's one of your most valuable tools of the trade. It's reliable. It's hard-working. And no doubt about it, it takes the downtime out of drivetime.

Just think. With a United States Cellular phone, you can buckle down to work the minute you hop in your car. You can hammer out details of a contract while cruising on the interstate...chisel away excess expenditures while sitting at a red light...crank up sales while backed up in traffic.

So why wait? Put your shoulder to the wheel and go to work. With a United States Cellular phone, your job will be a whole lot easier!

Dear EXPO Runner:

True, it was HUMID enough to slick the fur on a cat's back, but it was not a downpour; there was no lightning and thunder; tornados did not spin in on us at the last moment. Had the race begun at 5:00 am rather than at 8:00, we certainly would have had three of the four. We squeaked it out. Phew!

Actually, we did more. For those of you who are loyal to this race, you may have noticed that every year we try to add a few twists to improve EXPO. This year, besides the unavoidable twist in the course down State Street, we added several: the grand prize drawing for the trip to California courtesy of US AIR PIEDMONT, the inclusion of the TENNESSEE MASSAGE THERAPY ASSOCIATION at the mini-expo, a reduced entry fee for runners under age 18, more water stations along the course, and a record time for getting overall and age division results out. We kept some things the same: the roses for female finishers, the FROZE-FRUIT bars, the continental breakfast courtesy of THE HOTEL RADISSON, the church and school competition, the CITY DANCERS, et cetera.

We will continue to work on this race. Enclosed is a postcard with a few short questions. We would very much appreciate you filling it out so that we can get your input for next year's race.

EXPO is a roadrace, incidentally the largest in Tennessee. This year we had 2037 runners participate, down from 2317 in 1988. It is also an event with a twelve year history which celebrates you, your friends, family, and city. We are happy that you could be a part of it and welcome you to run or walk in EXPO 90 or in the many other fine road races which make up the Knoxville Track Club's Calendar. The FIREBALL CLASSIC is set for July 4, 1989 at the UT Vet. School. Hope to see you there. In the meantime, keep healthy. Keep running.

Cordially,

Allan Morgan
